

December, 2011

To Our Friends, Community, and Companies like yours:

The Kenai River Professional Guide Association is requesting your help with the **Wounded Warrior** project. We will be contracted with Fort Richardson to provide two fun filled days including lodging, meals and two days of guided fishing for **wounded warriors** and their necessary support staff. The **Wounded Warrior** event is scheduled for June 8<sup>th</sup> & 9<sup>th</sup> 2012. These **wounded warriors** have given service to our country so that all Americans may continue to enjoy the freedoms that we have been blessed with. While freely giving this service our warriors were wounded in action. As a community and country we want to give back to these brave men and women and let them know how much we appreciate them and their commitment to our freedom.

In past years we have been able to provide these services for over 400 **wounded warriors** and their support staff. We are seeking donations so we can honor these brave young men and woman with a great weekend celebration. Please take a moment to read over our sponsorship level page which is enclosed.

**A quote from one soldier** *"I have been back from my tour over seas for three months, but this is the first time I felt like I was home"!*

We hope you will consider helping us reach our goal. If you feel that your business or organization can support us in this endeavor, please pick a sponsorship level and contact us. Thank you!

Sincerely,  
Dave Goggia  
KPRGA President  
Wounded Warrior Committee Chairman
